From: Nancy Taylor-Schmitt, Principal

In order to prepare for next year, and take advantage of purchasing over the summer, we provide for you a general supply list needed for your child's next year school needs.

You will receive a letter in August, with your teacher name, along with a welcome letter, with a more specific list of supplies to complement their class instruction.

Your support is greatly appreciated. If you have any questions, please call 642-0125.
